

Dear Parents/carers

St Michael's PE kit for new intake

From September 2020 our basic PE kit will change. For nearly 20 years we have had the same PE kit which is now outdated and impractical for curriculum activities not to mention the cold winter weather. Our 'pupil voice', the School Council, also requested the change and have approved the design. The new kit will be available for our new Year 5 intake in September. The basic kit is as follows:

Boys (required) £43

Black T-shirt (with SMMS logo)
Black shorts (with SMMS logo)
Black/white Football Socks
Black/White Rugby Shirt (with SMMS logo)

Boys (optional)

Tech-Top (with SMMS logo) £21
Track Bottoms (with SMMS logo) £18

Girls (required) £43/£53

Black T-shirt (with SMMS logo)
Black Leggings (with SMMS logo) £17 or Black shorts (with SMMS logo) £7
Black/white Football Socks
Black/White Rugby Shirt (with SMMS logo)

Girls (optional)

Black shorts (with SMMS logo) £7
Black Leggings (with SMMS logo) £17
Track Bottoms (with SMMS logo) £18
Tech-Top (with SMMS logo) £21

Our suppliers are Star Sportswear. To purchase the compulsory and optional kit their online store will be operational for St Michael's Middle School from Monday 15th June. Specific details for how to order, receive and return purchased items will follow in the near future. Included in these details will be a detailed sizing chart giving parents guidance on correct sizing of items as, unfortunately, due to risk of contamination Star Sportswear are unable to offer a 'try and buy' session. Given this difficult time Star Sportswear have asked me to reassure you that there is a dedicated member of staff dealing only with St Michael's orders and a small packing team who wear personal protective equipment at all times of the packing process.

If your child is eligible for Pupil Premium the school offers a Uniform Grant to cover the cost of the compulsory PE kit and a school jumper and tie. Please contact the school office for a form.

Yours sincerely

Mr Wellman (Head of PE)
