

Collective Worship

This week's theme: Have faith to change the world...and have courage.

The Bible tells us:

Inspirational quote:

Thought for the week

It's ok to be afraid and to admit that. Courage helps us to conquer our fears and if we have a faith, knowing that God is with us helps us to flourish in the face of our fears.

This week

This week in collective worship, Mrs Thompson-Brown talked to us about facing our fears and having the courage to do the things that scare us. We played a daring game of 'jelly bean roulette' and reflected on the story of Daniel in the lion's den, hearing how Daniel had the courage to keep praying and keep following his religion even though it was dangerous.

We welcomed Mr Carr into school on Thursday; he spoke to us about challenging ourselves and talked us through a 26.2 mile sponsored hike that he did to raise money for Macmillan. He reminded us that we are more capable than we realise and can achieve great things if we have the courage. We heard about the courage Joshua had to have when he took over from Moses who had been a great leader.

In class collective worship we have reflected on where our courage comes from and the areas in our lives where we would like to have more courage.

We pray that we have the courage to do the things that scare us and that we build each other up through the things that we say and do to encourage each other so we can all flourish.
