

Collective Worship

This week's theme: Lest we forget...Hope

The Bible tells us:

Inspirational quote:

Thought for the week

Sometimes it seems that there is no hope. These are the times when we need to close our eyes and have faith; the times when we must remember to look for the light and have hope for the better times to come.

What or who will you have hope for this week?

This week

In these last four weeks of term, leading up to Christmas, we will be focusing on Advent as our themes for collective worship.

This week we have been thinking about 'hope' and reflecting on our hopes for the world.

As a school that is flourishing, we have been focusing on 'the world' and thinking beyond ourselves to consider how our actions could have a positive impact on the world, starting with our hopes for the world.

We sent off just under 100 shoeboxes on Monday...thank you so much! A small act of kindness to give hope to children in another part of the world.

The Sports Leaders led collective worship on Wednesday when they explained the School Games Values and how we can use these to help us be the best that we can be. They launched a competition to create an acrostic poem based on these values.

Nick the Vic spoke to us on Thursday and brought his shoes with him! He talked about the different shoes we wear in different situations - the everyday shoes, special/fun day shoes and the hard working/tough time boots. He reminded us that Jesus is with us every day, through the good times and the tough times; it is through the tough times when we only see one set of footprints in the sand and that is when Jesus carries us and gives us hope for a better future.

On this Black Friday, we remember the Good Friday when Jesus made the ultimate sacrifice for us; a sacrifice that gives us hope.

We are hopeful for a brighter tomorrow; that people from different backgrounds, cultures and religions will be able to live side by side without conflict. We pray for peace.
