

Year 6 Isolation Work 1

This covers the first 10 days of isolation you may have - either as 1 10 day isolation or several short periods of isolation.

MATHS	English
<p>Please see column headings to decide which level of work is most suitable for you. You will need to watch the Corbett Maths video, answer the questions and then mark your work from the answer sheet.</p> <p>Maths Pack 1 - Arithmetic and 4 operations</p>	<p>This is a 2 week unit based around the fabulous book 'Varmints' by Helen Ward and illustrated by Marc Craste. The unit has been split into 10 lessons, each with a powerpoint to follow and additional resources to support. There is also an overview of the unit which gives a brief outline of the focus of each lesson.</p> <p>Link to the unit</p> <p>Don't forget to keep up with your reading and remember you can quiz on Accelerated Reader from home. Each time you quiz you will be increasing your own word count score as well as contributing to your class score.</p> <p>Here is the link and check your PNB for a reminder of your password:</p> <p>https://ukhosted9.renlearn.co.uk/2236750</p>

SCIENCE	<p>Week 1 - The Digestive System - Read and do the activities on the BBC Bitesize KS2 Science website.</p> <p>Week 2 - The Circulatory System - Read and do the activities on the BBC Bitesize KS2 Science website.</p> <p>Science</p>
HUMANITIES	<p>Geography focus: Over the two weeks, complete these 3 lessons online. Watch the videos and complete the quizzes. Building Locational Knowledge: Europe - Oak National Academy</p>
ICT	<p>Week 1 - Create a presentation about yourself or a hobby using Google Slides. Find some photos from home to add to the presentation.</p> <p>Week 2 - Now add a theme and make your presentation look amazing by adding colour and making the images and text large and as easy to read as possible. Finally add animation so only one object appears at a time.</p> <p>ICT</p>
MUSIC	<p>Week 1 - Work through Pages 1 - 7 of the Musical Theory Workbook or 55 minutes worth. You can print the pages off or look at them on a screen and write the answers into a notebook.</p> <p>Week 2 - Work through pages 8 - 13 of the Musical Theory Workbook or 55 minutes worth. You can print the pages off or look at them on a screen and write the answers into a notebook.</p> <p>Feel free to go on further if you feel you'd like to. Please bring work in to school and hand it in to Mr Johnston for marking.</p>

PE	PERSONAL CHALLENGES.docx This work is also on Google Classroom Whole School PE (class code t6ciouy)
TECHNOLOGY	How's it made? Vans Trainers Cooking challenge - 2 sessions: DT
RE	Looking at Faith in Action: 2 Lessons RE
ART	Look at the work of artist Wassily Kandinsky and his use of shape in his artwork. See power point. Your task is to create a drawing (or painting), using shape. Use colour if you can! Art
FRENCH	Practise those numbers! Listen to the songs, "Les chiffres" https://youtu.be/UsEz58BblMY and https://youtu.be/wlYqz2unHKc and sing along. Challenge yourself to count as high as you can. How many number words can you write from memory? Design a colourful French number poster.
