FRIDAY 17TH MARCH

COMIC  
RELIEF

RED  
NOSE  
DAY

Red Nose Day is an annual fundraising campaign to **end the cycle of child poverty and ensure a healthy future for all children**. Through the power of entertainment, we bring people together to laugh and have fun, while raising money and awareness to ensure all children are safe, healthy and educated.

# Disasters Emergency Committee (DEC)

## Who are they?

In these times of crisis, people in life-and-death situations need our help and our mission is to save, protect and rebuild lives through effective humanitarian response.

## What do they do?

The Disasters Emergency Committee deliver aid (help) directly or through trusted partners (other charities / organisations) to those in need.

A series of devastating earthquakes

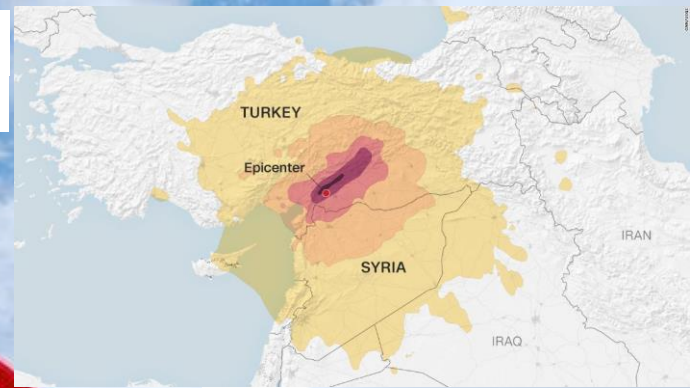

have hit southern Turkey and north-

west Syria killing over 50,000 people

and injuring many more

The first deadly earthquake struck while people were inside their homes, asleep in their beds, with no warning signs. More than 54,000 buildings, including hospitals and schools, have been destroyed or damaged. People have been left without shelter in freezing winter conditions.

The impact of the earthquakes on the region's children and families has been catastrophic, leaving hundreds of thousands in desperate conditions. Many families have lost their homes and are now living in temporary shelters.

The earthquakes have also caused widespread damage to schools and other essential infrastructure, further jeopardizing the well-being of children and families. Access to safe water and sanitation is also a major concern, as are the health needs of the affected population.

Here's some ideas to get you started....
